RESOURCES

IN-HOUSE CAMERA PACKAGE, LIGHTING / GRIP PACKAGE.

Our track record of developing, creating, and working on critically acclaimed projects with award-winning talent speaks for itself. Our team has amassed experience filming all over the world, battling the elements, and delivering quality footage every time. North Film Co.'s "leadership from within" process of working has allowed for experience from the top down to be directly passed to everyone at all times, making for more efficient productions. Our skilled team members can assist you along the way and guide any crew members with questions or concerns that may arise during production.

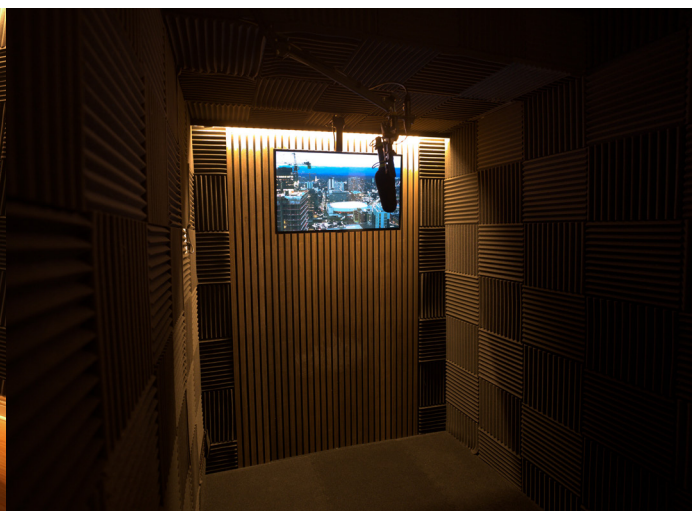

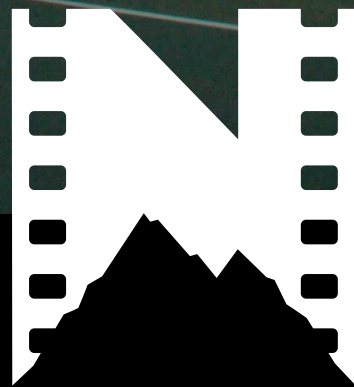

RESOURCES

IN-HOUSE **POST FACILITY**

North Film Co. has a state of the art post-facility, which includes our in-house video editing suite, colouring suite, post audio, and an ADR booth. We are able to deliver footage almost instantly on set with our custom mobile DIT unit which matches our in house DIT station allowing quick offloads to servers. This makes viewing dailies effective and efficient at all times.
